When a baby sister arrives, Frances the badger finds a charming way to prove her own importance.

Famed for her many adventures, Frances made her debut with this title over thirty years ago. In this first Frances book, the little badger adroitly delays her bedtime with requests for kisses and milk, and concerns over tigers and giants and things going bump in the night. Long a favorite for the gentle humor of its familiar going to bed ritual, Bedtime for Frances is at last available with the warmth of full color enriching Garth Williams’s original nuanced and touching art. ‘Here is the coziest, most beguiling bedtime story in many a day.’—Kirkus Reviews (pointer).

Frances is a fussy eater. In fact, the only thing she likes is bread and jam. She won't touch her squishy soft-boiled egg. She trades away her chicken-salad sandwich at lunch. She turns up her nose at boring veal cutlets. Unless Mother can come up with a plan, Frances just might go on eating bread and jam forever!

Frances doesn't think her little sister, Gloria, can be her friend. But when Frances's friend Albert has a no-girls baseball game, Frances shows him a thing or two about friendship—and a thing or two about what girls can do. Along the way, Frances discovers that sisters can indeed be friends . . . maybe even best friends.

Frances is jealous of her sister's birthday, but birthday spirit moves her to reluctantly give her coveted gift.

Frances foils Thelma's plot to trick her out of a new china set.
