Tessa and Scott share their incredible and inspiring story – now updated and expanded with a new introduction, over 100 dazzling new photographs, and three all-new chapters covering the pair’s stunning performances at the Sochi and PyeongChang Olympic Games and beyond. Tessa Virtue and Scott Moir are the most decorated figure skaters in the history of the sport, and are widely celebrated by peers and fans alike for their superior athleticism, one-of-a-kind partnership, and generosity of spirit. In these pages, they share their incredible story with the world. Tessa and Scott: Our Journey from Childhood Dream to Gold offers an intimate and revealing behind-the-scenes look at the iconic duo. Veteran sports columnist Steve Milton draws from hours of conversations with Tessa and Scott as they take us from their first meeting in 1995 to their impressive debut and rapid rise on the international scene; from the highs and lows of competitive skating to the profound impact of Tessa’s injury and subsequent recovery; and from their unprecedented Olympic achievements in Vancouver in 2010 and Sochi in 2014, through to their exhilarating triumph in Pyeongchang in 2018, when their performance capture hearts the world over and catapulted them into unparalleled international acclaim. Lavishly illustrated with over 100 new photos, this updated and expanded edition is filled with personal stories and recollections from Tessa, Scott, and those close to them – including family members, friends, and coaches past and present. Tessa and Scott is as much a spectacular visual history as it is a celebration of two of the world’s premier athletes.

As seen on W Network Tessa Virtue and Scott Moir dazzled the world when they became the first Canadians -- and first North Americans -- to win an Olympic gold medal in ice dancing in 2010. Now, for the first time ever, they share their incredible and inspiring story with the world. Tessa and Scott: Our Journey from Childhood Dream to Gold tracks the pair's first meeting at the ages of seven and nine; their early competitions at the World Junior Championship and World Championships; and their incredible history-making, gold-medal performance at the 2010 Winter Olympics in Vancouver, which established them as icons of the sport. Lavishly illustrated with never-before-published personal photographs and memorabilia collected over the course of their lives, this book is as much a spectacular visual history as it is a behind-the-scenes look at the ascent of two of Canada's premier athletes. This is a must-have for fans and collectors alike.

The Canadian skaters who won the 2010 Olympic gold medal in ice dancing share their story, from their childhoods to world stardom, and discuss the behind-the-scenes reality of competitive skating.

A new posse of figure skating superstars has emerged over the last decade, delighting fans around the world. These young athletes--whose skill, power, grace and artistry were so thrillingly displayed at the 2010 Olympics, are celebrated here in glorious images and insightful text. At the 1998 Nagano Games, Olympic figure skating judge Jean Senft blew the whistle on vote trading, paving the way for a new judging system that is now driving the sport in exciting directions. Senft describes how today’s skaters are exploring ever-more difficult and dramatic ways of scoring and provides an insider’s view of international figure skating at its highest level. More than 140 stunning full-color photographs by renowned photographer Gérard Châtaigneau highlight the talents of the sport’s new stars, including Tessa Virtue and Scott Moir, Evan Lysacek, Joannie Rochette, Yu-Na Kim, Johnny Weir, Mao Asada, and many more.

For fans of Emma Lord and Abbi Glines, Jennifer Iacopelli’s swoony, romantic new novel follows elite ice dancer Adriana Russo as she finds herself drawn to both her old dance partner and her new one. Adriana Russo is figure skating royalty. With gold-medalist parents, and her older sister headed to the Olympics, all she wants is to live up to the family name and stand atop the ice dance podium at the Junior World Championships. But fame doesn’t always mean fortune, and their legendary skating rink is struggling under the weight of her dad’s lavish lifestyle. The only thing keeping it afloat is a deal to host the rest of the Junior Worlds team before they leave for France. That means training on the same ice as her first crush, Freddie, the partner she left when her growth spurt outpaced his. For the past two years, he’s barely acknowledged her existence, and she can’t even blame him for it. When the family’s finances take another unexpected hit, losing the rink seems inevitable until her partner, Brayden, suggests they let the world believe what many have suspected: that their intense chemistry isn’t contained to the ice. Fans and sponsors alike take the bait, but keeping up the charade is harder than she ever imagined. And training alongside Freddie makes it worse, especially when pretending with Brayden starts to feel very real. As the biggest competition of her life draws closer and her family’s legacy hangs in the balance, Adriana is caught between her past and present, between the golden future she’s worked so hard for, and the one she gave up long ago.

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 30. Timeless in content, Paris in Bloom is a book for Paris lovers to savor again and again, one to keep on the nightstand to conjure fond memories of their first visit and inspire dreams of the next.

Figure skating icon and U.S. National Champion Karen Chen tells the amazing story of her rise to the top, featuring never-before-seen photos and behind-the-scenes details from her journey on and off the ice! At seventeen years old, Karen Chen has already achieved what some girls only dream of—and yet it's only the beginning for this incredibly talented athlete. The daughter of Taiwanese immigrants, Karen began to figure skate at just five years old. Ten years and many grueling training sessions later, she broke out at the 2015 US Championships with a bronze medal. This was after sustaining a nearly career-ending ankle fracture a year earlier. In 2017, Karen became the US National Champion, winning gold in two programs and receiving the highest score ever recorded for the short program at the US National level. Now for the first time, Karen shares the story of how she got where she is today—and where she's going next. Karen has already overcome astounding obstacles, and her grit, determination, and positive attitude have made her future truly limitless. In Finding the Edge, she shares, in her own words, what it's like to be Karen Chen—and what it takes to achieve the impossible. Features a foreword from Kristi Yamaguchi, the Olympic champion, two-time World champion, and U.S. champion.

Mental performance coach, Jean François Ménard, shares practical strategies to tackle tough challenges, manage pressure, and help readers achieve their professional and personal goals.
