that uniquely identifies the transmission type, factory installed engine, where it was built, among other details. The VIN can be found at on the door tag on the driver's door, or on a metal dash plaque found on the dashboard. You can definately

File Type PDF Audi Transmission Type From

identify your VIN number with most of the car diagnostic tool.

What Transmission Do I Have? - OBD Station

When it comes to decoding transmission details, transmission type is the most helpful (and

File Type PDF Audi Transmission Type From

most obvious) datapoint you can try to capture and use along with VIN. If you could obtain a simple "Manual" or "Automatic" for all of your inventory data, this would take your Model Year 2010-2015 match rate from ~80% to ~99%!
