Description. (Guitar Educational). The years 1945-1965 saw a radical and exciting shift in American popular music. Blues and swing jazz helped to produce a new musical form called rhythm and blues, which in turn set in motion the development of soul and funk, not to mention rock 'n' roll. What united these genres was an emphasis on the beat, or the groove, over the melody that would culminate in the syncopated monochord workouts of funk.

(Guitar Educational). The years 1945-1965 saw a radical and exciting shift in American popular music. Blues and swing jazz helped to produce a new musical form called rhythm and blues, which in turn set in motion the development of soul and funk, not to mention rock 'n' roll. What united these genres was an emphasis on the beat, or the groove, over the melody that would culminate in the syncopated monochord workouts of funk. Along the way, some of the greatest electric guitarists of the postwar years explored the boundaries of the new instrument with a rich array of hot licks. This book/CD pack explores everything from the swinging boogie of Tiny Grimes, to the sweaty primal funk of Jimmy Nolen, to the styles of Mickey Baker, Billy Butler, Steve Cropper, Cornell Dupree, Jerry Jemmott, Curtis Mayfield, Ike Turner and everyone in between. Includes in-depth lessons, historical analysis, rare photos, and a CD with 33 full-band tracks.

This is the true story of how an Uber driver experienced face-to-face fear from drug dealers, gang bangers and criminals as a taxi driver for Uber. Mitchell Martinez, the Uber-Groover, gives his account of driving for the taxi service Uber, with over 1,000 passengers who experienced the rides of their lives in cities from San Diego to San Francisco. A "Jerry Springer saga on wheels," Mitchell Martinez gives his true confession and documentshis experience of driving for Uber while coping with a war-time injury he incurred while serving in the United States Army during the Iraq war. Shocked and disappointed to discover that the German word "uber" is defined as superior; above from the Deutschland dictionary and devastated that he drives for a mobile sweatshop on wheels, Martinez dismantles the Uber organization by filing a class action lawsuit for benefits and fair wages. Uber, the word, lives up to its name that means in the German language: Slavery for Profit!

John Lastinger (ca. 1740-1803) emigrated about 1760 from Germany to Charleston, South Carolina, later moving to Bulloch County, Georgia. Descendants lived in South Carolina, Georgia, Florida and elsewhere.
