Bottom paints are available in a variety of formulations. Most bottom paint systems are compatible with epoxy and can be applied directly over a prepared epoxy barrier coat. If you are unsure of compatibility or have curing or adhesion problems with a specific bottom paint, use only a primer recommended for that bottom paint over the barrier coat. Follow the recommendations given for ...

Time-Tested Epoxy. Cutting-Edge Formulation. Baltimore Solid Color Epoxy Systems. Epoxy floors may be common, but ours are uncommonly designed! They're super-strong, custom-styled, and done in as little as a day. When your Baltimore floors have finally become too chipped, cracked, or deteriorated to live with, don't just replace them with something that will degrade in the exact same way ...
