Manual For A Nikon Optiphot 150 - [auditthermique.be](http://auditthermique.be)  
The Nikon Optiphot series of microscopes, produced in the 1980's, were top-of-the-line upright research microscopes. In general, they are built like tanks and it is not uncommon to see them still used everyday in real working environments. The Optiphot series is expandable, for phase contrast, polarization, DIC, episcopic illumination and epi ...
