Synopsis The movie that watches television through the eyes of Fellini. Amelia and Pippo are reunited after several decades to perform their old music-hall act, imitating Fred Astaire and Ginger Rogers, on a TV variety show.

The partnership between Fred Astaire and Ginger Rogers, which was born and reached its peak in the Hollywood musical of the 1930s, is one of the most enduringly popular ever to have graced the cinema screen. This important new study explores the series of seven films - from "The Gay Divorcee " in 1934 to "Carefree" in 1938 - that represent the quintessential 'Fred and Ginger'. Astaire and Rogers are most renowned for their peerless dance duets, but these constitute only a small proportion of the time they appeared on screen together. Their skills as performers and their remarkable rapport are equally apparent in their acting and singing, and in Fred and Ginger Hannah Hyam analyses all three aspects of their partnership in depth, illuminating the qualities that give it such timeless appeal. Distinguishing the seven 'Fred and Ginger' films from the three others that Astaire and Rogers made together, the book defines their characteristic features and assesses their relative merits, before going on to examine in detail the romantic partnership between Fred and Ginger as pursued in dialogue, song and dance throughout the series. Generously illustrated with choice black and white stills, Fred and Ginger will be welcomed not only by Astaire-Rogers enthusiasts and students of the genre but by all lovers of film and of true artistry in music and dance.

In the 1930s, Britain had the highest annual per capita cinema attendance in the world, far surpassing ballroom dancing as the nation's favorite pastime. It was, as historian A.J.P. Taylor said, the "essential social habit of the age." And yet, although we know something about the demographics of British cinemagoers, we know almost nothing of their experience of film, how film affected them, how it fit into their daily lives, what role cinema played in the larger culture of the time, and in what ways cinemagoing shaped the generation that came of age in the 1930s. In Dreaming of Fred and Ginger, Annette Kuhn draws upon contemporary publications, extensive interviews with cinemagoers themselves, and readings of selected film, to produce a provocative and perspective-altering ethno-historical study. Taking cinemagoers' accounts of their own experiences as both "the engine and product of investigation," Kuhn enters imaginatively into the world of 1930s cinema culture and analyzes its place in popular memory. Among the topics she examines are the physical space of the cinemas; the role film played in growing up; the experience of being a member of a cinema audience; film-inspired fantasies of American life; the importance of cinema to adolescence in offering role models, ideals of romance, as well as practical opportunities for courtship; and the sheer pleasure of watching such film stars as Fred Astaire, Ginger Rogers, Nelson Eddy, Ronald Colman, and many others. Engagingly written and painstakingly researched, with contributions to film history, cultural studies, and social history, Dreaming of Fred and Ginger offers an illuminating account of a key moment in British cultural memory.

She was born Virginia Katherine McMath, but the world would come to know her—and love her—as Ginger Rogers: Broadway star, Academy Award-winning actress, and the ultimate on-screen dancing partner of the inimitable Fred Astaire. In Ginger: My Story, the legendary entertainer shares the triumphs of a remarkable career that began when she won a Texas dancing contest at age fourteen; the joys and heartbreaks of her five marriages; her relationships with some of Hollywood's major leading men, including Cary Grant, Jimmy Stewart, and damaged daredevil billionaire Howard Hughes; and the strength of her religious convictions that got her through thick and thin. Lavishly illustrated with rare photographs from the author's personal collection, Ginger is an enthralling, behind-the-scenes tour of Hollywood life during the Golden Age of movies by one of its most enduring stars.

In Hollywood in 1953, dancing legends Fred Astaire and Ginger Rogers prepare to dance with Russia's Baronovitch Ballet, but the two have trouble concentrating on the show while investigating a murder

*Includes pictures of Astaire, Rogers, and other important people and scenes. *Includes their quotes about each other. *Includes a bibliography for further reading. Virtually all famous actors are regaled by the public, but even still, Fred Astaire occupies a privileged position in American pop culture. The specific films in which Astaire acted may not be especially famous in their own right - most people likely cannot recall the title of Top Hat (1935), his most decorated film - but Astaire's dancing prowess invariably creates a lasting impact on viewers. Instead of tying his fame to a single film, Astaire's genius lay in constructing his star persona around a specific set of iconographic imagery that has become embedded within American culture. Across his films, the recurring iconic images of the top hat, cane, and coat tails, as well as the image of Astaire dancing with Ginger Rogers, all constitute a timeless symbol for elegance that continues to captivate viewers who are unfamiliar with the plots of his films. There have been other film musical actors who were proficient dancers, Gene Kelly chief among them, but none were able to perform with the seamless elegance of Astaire, and none have been remembered nearly as well. Astaire's dancing numbers epitomized grace and gaiety, making it seem as though he was carefree, but this was hardly the case. While it is easy to imagine Astaire being raised in an aristocratic family, his working-class background was so blue collar that his family eventually relied on him and his sister as the primary breadwinners in the family. Rather than being born and raised with wealth in a large city, Astaire came from a working-class neighborhood in Omaha, Nebraska, a setting so antithetical to the world of dance that it quickly became clear that the family would need to relocate. If anything, Astaire's unglamorous origins further demonstrate that the magisterial dancing and the effortlessly elegant image accompanying it were products of Astaire's tireless work ethic and insistence on perfection. Considering the immense success of their films together, it is entirely understandable that Astaire and Rogers are joined at the hip in the eyes of the public. However, an appreciation for the Fred and Ginger musicals is only enhanced by knowledge of the personal backgrounds of the two stars. After all, the fact remains that Astaire and Rogers came from vastly different cultural backgrounds, and at the time that they met, their careers had unfolded in dissimilar ways. Astaire was a national celebrity for his skills as a stage performer (mainly with his sister Adele), while Rogers was raised in a more archetypal Midwestern setting and her professional success was reached entirely through cinema. While Astaire made a name for himself through his dancing, Rogers was more recognized for her singing talents. Clearly, it is still possible to discern fundamental differences between their professional talents, contrasts that would become more distinguishable once they ceased making films together. Fred Astaire and Ginger Rogers: The Story of Hollywood's Most Famous Dancers profiles the lives and careers of both stars, as well as a comprehensive analysis of their movies together. Along with a bibliography and pictures of important people, places, and events, you will learn about Fred and Ginger like you never have before.

One of the foremost entertainers of the twentieth century—singer, actor, choreographer, and, of course, the most dazzling "hooper" in the history of motion pictures—Fred Astaire was the epitome of charm, grace, and suave sophistication, with a style all his own and a complete disregard for the laws of gravity. Steps in Time is Astaire's story in his own words, a memoir as beguiling, exuberant, and enthralling as the great artist himself, the man ballet legends George Balanchine and Rudolf Nureyev cited as, hands down, the century's greatest dancer. From his debut in vaudeville at age six through his remarkable career as the star of many of the most popular Hollywood musicals ever captured on celluloid, Steps in Time celebrates the golden age of entertainment and its royalty, as seen through the eyes of the era's affable and adored prince. Illustrated with more than forty rare photographs from the author's personal collection, here is Astaire in all his debonair glory—his life, his times, his movies, and, above all, his magical screen appearances and enduring friendship with the most beloved of all his dancing partners, Ginger Rogers.

Traces siblings Fred and Adele Astaire's rise to fame, from humble Midwestern origins and early days as child performers on small-time vaudeville stages, to their 1917 debut on Broadway,to star billings on both sides of the Atlantic.

Legendary film star Ginger Rogers recounts her rise to international fame as the dancing partner of Fred Astaire and as an actress in such movies as "Top Hat" and "Swing Time," providing an insider's view of Hollywood's golden age
