This handbook is designed to help you gain a fundamental understanding of digital advertising, what Adwerx offers and how its features overlap with different business objectives. Table of Contents:

The Inman Handbook on digital advertising with Adwerx

Digital forensics and multimedia forensics are rapidly growing disciplines whereby electronic information is extracted and interpreted for use in a court of law. These two fields are finding increasing importance in law enforcement and the investigation of cybercrime as the ubiquity of personal computing and the internet becomes ever-more apparent.
