~~[If the goal of catechesis is to cultivate an encounter with Christ, why do religious educators spend so much time focused almost exclusively on ideas and not experiences? The reason is that many have never been shown a method that inspires the heart while also instructing the mind. Jared Dees, creator of the popular website The Religion Teacher, shows how applying the steps of lectio divina to teaching can reorient religious education toward encountering the person of Christ rather than merely sharing information about him. In Christ in the Classroom, Catholic author and speaker Jared Dees applies the five steps of lectio divina--reading/learning, meditation, prayer, contemplation, and action--to the ministry of catechesis. He offers teachers and catechists a practical framework for preparing lessons that broaden the focus of teaching from mostly intellectual learning to also encountering Christ in prayer, reflection, and action. Using this method, students and catechists come to know intimately the person of Christ at the same time that they are learning the tenets and traditions of the Church. Dees shares stories of success and failure from his own teaching experience and he offers dozens of field-tested strategies, tactics, and teaching methods to effectively integrate the steps of lectio divina into the classroom or other catechetical setting. Outfitted with these tools, both experienced and new religious educators will feel confident in their ability to teach effectively and lead their students to a life-changing encounter with Jesus.](#)~~

The Great Cosmic Lesson Plan is a unique way of looking at life. It presents a perspective that combines spirituality, psychology, humor and music as pieces of the puzzle leading to a happy, peaceful, meaningful life. We are all connected to each other in the great energy source that is God. We become unhappy when things don't go our way in the material world. This book suggests that happiness will come from a gradual shift to spiritual values. The book presents practical techniques for letting go of anger, fear, guilt, and negative beliefs. Additionally, humor and music are very helpful in aiding the process of letting go. Part One explores changes which need to be made to find happiness and the means to accomplish those changes. Ultimately to reach this goal, there needs be a connection to the source of all being, often called God. Part Two presents this message in the form of a comic novel. Dr. Hans Off, a chiropractor meets tragedy when he is bitten by an aardvark and can no longer practice his profession. Instead of sinking into depression, he goes on a spiritual search to find new meaning in his life. He visits a variety of therapists including an analyst, an existentialist and a spiritual therapist. Dr. Off discovers that enlightenment requires lightening up.

Popular author, catechist, and creator of The Religion Teacher website Jared Dees learned a valuable lesson from his students: teaching is not the same as evangelization. He found instead—as in Jesus' own ministry—if you focus first on healing the wounded, then proclaiming the Word of God, and finally teaching, you can bring people of all ages to Christ. Using examples from his own teaching, stories from the Bible, and the lives of the saints, Dees offers a fresh and engaging approach and practical ideas for following the ministry of Jesus in your own work. Jesus had a threefold ministry on Earth: to heal the sick and wounded, proclaim the Good News, and teach those who became his disciples. It's an approach imitated by the saints throughout history and continues to be the cornerstone of successful ministry in parishes, Catholic schools, and other vibrant programs today. Jared Dees—author of 31 Days to Becoming a Better Religious Educator—will help you understand how Jesus' ministry transformed lives through biblical examples such as Paul, Bartimaeus, the centurion's servant, and the woman at the well. He shares the importance of healing through the ministries of saints, such as Mother Teresa, Br. André Bessette, Ignatius of Loyola, and Fr. Damien of Molokai. In To Heal, Proclaim, and Teach, Dees offers practical examples of how to apply Jesus' threefold ministry to everyday life: allow yourself to be constantly evangelized; learn to help others through both good and bad times; and root yourself in community. He also suggests examples of ministries that are effectively reaching the faithful of all ages today, including Catechesis of the Good Shepherd, Life Teen, Teens Encounter Christ, Theology on Tap, FOCUS, and Christ Renews His Parish. Dees will guide you with practical ways to imitate Jesus' ministry in your own classrooms and faith formation programs at all levels. To Heal, Proclaim, and Teach was a 2017 winner of the Association of Catholic Publishers Excellence in Publishing Award: Resources for Ministry (Third Place) and the Catholic Press Association Book Award: Pastoral Ministry (Third Place).
