"Il giardino segreto" è stato uno dei primissimi libri che io abbia mai letto, sarà per questo che mi sento particolarmente legata ad esso. Dolcissima storia, in cui l'amicizia, l'amore per la famiglia e per la natura aiutano una bambina viziata e scorbutica a crescere ed a scoprire il significato della parola casa. Le ambientazioni della storia sono meravigliose ed evocative. Rimasi subito ...

On a small island in the Tyrrhenian Sea lives an,innocent boy, Arturo, whose mother is dead and,father is away. Black-clad women care for himgiving him the freedom to come and go as he,pleases, but then his father returns with a new,wife, Nunziata, who is barely older than Arturo.,At first hatred and contempt are all the boy feels,for his new stepmother, but as time passes Arturo,and Nunziata recreate the tragedy and passion that,are as old as the history of men and women.

Winner of the IMPAC Dublin Award, and widely considered Javier Marias’s masterpiece, A Heart So White is a breathtaking novel about family secrets that chronicles the relentless power of the past. Juan knows little of the interior life of his father Ranz; but when Juan marries, he begins to consider the past anew, and begins to ponder what he doesn’t really want to know. Secrecy—its possible convenience, its price, and even its civility—hovers throughout the novel. A Heart So White becomes a sort of anti-detective story of human nature. Intrigue; the sins of the father; the fraudulent and the genuine; marriage and strange repetitions of violence: Marias elegantly sends shafts of inquisitory light into shadows and onto the costs of ambivalence.

A New York Times Notable Book • Winner of the National Jewish Book Award • Winner of the National Book Critics Circle Award • A Los Angeles Times Book Prize Finalist “A gripping detective story, a stirring epic, a tale of ghosts and dark marvels, a thrilling display of scholarship, a meditation on the unfathomable mystery of good and evil, a testimony to the enduring power of the ancient archetypes that haunt one Jewish family and the greater human family, The Lost is as complex and rich with meaning and story as the past it seeks to illuminate. A beautiful book, beautifully written.”—Michael Chabon In this rich and riveting narrative, a writer’s search for the truth behind his family’s tragic past in World War II becomes a remarkably original epic—part memoir, part reportage, part mystery, and part scholarly detective work—that brilliantly explores the nature of time and memory, family and history. The Lost begins as the story of a boy who grew up in a family haunted by the disappearance of six relatives during the Holocaust—an unmentionable subject that gripped his imagination from earliest childhood. Decades later, spurred by the discovery of a cache of desperate letters written to his grandfather in 1939 and tantalized by fragmentary tales of a terrible betrayal, Daniel Mendelsohn sets out to find the remaining eyewitnesses to his relatives’ fates. That quest eventually takes him to a dozen countries on four continents and forces him to confront the wrenching discrepancies between the histories we live and the stories we tell. And it leads him, finally, back to the small Ukrainian town where his family’s story began, and where the solution to a decades-old mystery awaits him. Deftly moving between past and present, interweaving a world-wandering odyssey with childhood memories of a now-lost generation of immigrant Jews and provocative ruminations on biblical texts and Jewish history, The Lost transforms the story of one family into a profound, morally searching meditation on our fragile hold on the past. Deeply personal, grippingly suspenseful, and beautifully written, this literary tour de force illuminates all that is lost, and found, in the passage of time.
