illus. in full color with black-and-white photos. "Covers not only the story of Robinson's prowess and his problems as the first black man to play in the major leagues, but also the story of the rise and fall of black baseball and some of its star players and managers. Nicely geared by vocabulary, sentence length, and print size to the primary grades audience."--Bulletin, Center for Children's Books. Autobiography of baseball legend Jackie Robinson, beginning with his athletic career and dealing particularly with baseball and the first step toward equal participation by African Americans in this great sport. I believe that a man's race, color, and religion should never constitute a handicap. The denial to anyone, anywhere, any time of equality of opportunity to work is incomprehensible to me. Moreover, I believe that the American public is not as concerned with a first baseman's pigmentation as it is with the power of his swing, the dexterity of his slide, the gracefulness of his fielding, or the speed of his legs.¶From Foreword by Branch Hickey

Jackie Robinson, Branch Rickey, and the hidden hand of God that changed history Journalist and baseball lover Ed Henry reveals for the first time the backstory of faith that guided Jackie Robinson into not only the baseball record books but the annals of civil rights advancement as well. Through recently discovered sermons, interviews with Robinson's family and friends, and even an unpublished book by the player himself, Henry details a side of Jackie's humanity that few have taken the time to see. Branch Rickey, the famed owner who risked it all by signing Jackie to his first contract, is also shown as a complex individual who wanted nothing more than to make his God-fearing mother proud of him. Few know the level at which Rickey struggled with his decision, only moving forward after a private meeting with a minister he'd just met. It turns out Rickey was not as certain about signing Robinson as historians have always assumed. With many baseball stories to enthrall even the most ardent enthusiast, 42 Faith also digs deep into why Jackie was the man he was and what both drove him and challenged him after his retirement. From his early years before baseball, to his time with Rickey and the Dodgers, to his failing health in his final years, we see a man of faith that few have recognized. This book will add a whole new dimension to Robinson's already awe-inspiring legacy. Yes, Jackie and Branch are both still heroes long after their deaths. Now, we learn more fully than ever before, there was an assist from God too.

A Black History Month-timed entry in the best-selling series follows the heroic story of baseball star Jackie Robinson, describing, in text and comic thought bubbles, his childhood, early ambitions and barrier-breaking achievements. By the best-selling author of Heroes for My Son.

The first black man to play professional baseball, Jackie Robinson helped break down walls of segregation in many walks of life. His biography is the story of one man's struggle to overcome great odds through hard work, skill and courage.

A warm, intimate portrait of Jackie Robinson, America's sports icon, told from the unique perspective of a unique insider: his only daughter. Sharon Robinson shares memories of her famous father in this warm loving biography of the man who broke the color barrier in baseball. Jackie Robinson was an outstanding athlete, a devoted family man and a dedicated civil rights activist. The author explores the fascinating circumstances surrounding Jackie Robinson's breakthrough. She also tells the off-the-field story of Robinson's hard-won victories and the inspiring effect he had on his family, his community, . . . his country! Includes never-before-published letters by Jackie Robinson, as well as photos from the Robinson family archives.

The extraordinary life of Jackie Robinson is illuminated as never before in this full-scale biography by Arnold Rampersad, who was chosen by Jack's widow, Rachel, to tell her husband's story, and was given unprecedented access to his private papers. We are brought closer than we have ever been to the great ballplayer, a man of courage and quality who became a pivotal figure in the areas of race and civil rights. Born in the rural South, the son of a sharecropper, Robinson was reared in southern California. We see him blossom there as a student-athlete as he struggled against poverty and racism to uphold the beliefs instilled in him by his mother—faith in family, education, America, and God. We follow Robinson through World War II, when, in the first wave of racial integration in the armed forces, he was commissioned as an officer, then court-martialed after refusing to move to the back of a bus. After he plays in the Negro National League, we watch the opening of an all-American drama as, late in 1945, Branch Rickey of the Brooklyn Dodgers recognized Jack as the right player to break baseball's color barrier—and the game was forever changed. Jack's never-before-published letters open up his relationship with his family, especially his wife, Rachel, whom he married just as his perilous venture of integrating baseball began. Her memories are a major resource of the narrative as we learn about the severe harassment Robinson endured from teammates and opponents alike; about death threats and exclusion; about joy and remarkable success. We watch his courageous response to abuse, first as a stoic endurer, then as a fighter who epitomized courage and defiance. We see his growing friendship with white players like Pee Wee Reese and the black teammates who followed in his footsteps, and his embrace by Brooklyn's fans. We follow his blazing career: 1947, Rookie of the Year; 1949, Most Valuable Player; six pennants in ten seasons, and 1962, induction into the Hall of Fame. But sports were merely one aspect of his life. We see his business ventures, his leading role in the community, his early support of Martin Luther King Jr., his commitment to the civil rights movement at a crucial stage in its evolution; his controversial associations with Eisenhower, Kennedy, Nixon, Humphrey, Goldwater, Nelson Rockefeller, and Malcolm X. Rampersad's magnificent biography leaves us with an indelible image of a principled man who was passionate in his loyalties and opinions: a baseball player who could focus a crowd's attention as no one before or since; an activist at the crossroads of his people's struggle; a dedicated family man whose last years were plagued by illness and tragedy, and who died prematurely at fifty-two. He was a pathfinder, an American hero, and he now has the biography he deserves.

As a testament to his courage, Jackie Robinson's daughter shares memories of him, from his baseball career to the day he tests the ice for her, her brothers, and their friends.

As a kid, Jackie Robinson loved sports. And why not? He was a natural at football, basketball, and, of course, baseball. But beyond athletic skill, it was his strength of character that secured his place in sports history. In 1947 Jackie joined the Brooklyn Dodgers, breaking the long-time color barrier in major league baseball. It was tough being first- not only did "fans" send hate mail but some of his own teammates refused to accept him. Here is an inspiring sports biography, with black-and-white illustrations throughout.

Chronicles the spectacular career of Jackie Robinson, both on and off the baseball diamond, as the Dodger outfielder became the first Black player in professional baseball.
