Is an up-to-date, concise, factual reference describing the dental management of patients with selected medical problems. The book offers the dental provider an understanding of how to ascertain the severity and stability of common medical disorders, and make dental management decisions that afford the patient the utmost health and safety. Medical problems are organized to provide a brief overview of the basic disease process, the incidence and prevalence of the disease, pathophysiology, signs and symptoms, laboratory findings, currently accepted medical therapy of each problem, and a detailed explanation and recommendations for specific dental management. The accumulation of evidence-based research

Online Library Jackson And Stent 9th Edition

over the last few years has allowed the authors to include more specific dental management guidelines in the sixth edition.

This best-selling resource provides a general overview and basic information for all adult intensive care units. The material is presented in a brief and quick-access format which allows for topic and exam review. It provides enough detailed and specific information to address most all questions and problems that arise in the ICU. Emphasis on fundamental principles in the text should prove useful for patient care outside the ICU as well. New chapters in this edition include hyperthermia and hypothermia syndromes; infection control in the ICU; and severe airflow obstruction.

Online Library Jackson And Stent 9th Edition

Sections have been reorganized and consolidated when appropriate to reinforce concepts.

Introduction to International Relations provides a concise and engaging introduction to the principal international relations theories and, uniquely, explores how theory can be used to analyse contemporary issues. Readers are introduced to the most important theories, encompassing both classical and contemporary approaches and debates. Throughout the text the authors encourage readers to consider the strengths and weaknesses of the theories presented, and the major points of contention between them. In so doing, the text helps the reader to build a clear understanding of how major theoretical debates link up

Online Library Jackson And Stent 9th Edition

with each other, and how the structure of the discipline of international relations is established. Jackson and Sørensen place a strong emphasis throughout on the relationship between theory and practice, carefully explaining how theories organise and shape our view of the world. A chapter is dedicated to key global issues and how theory can be used as a tool to analyse and interpret these issues. New to this edition Increased coverage of significant and current issues in global politics, including terrorism, religion, the environment, and war and peace A substantially updated chapter on the contemporary debates in international political economy, including capitalist diversity, models of development, and inequality New end of chapter questions to encourage readers to link the key

Online Library Jackson And Stent 9th Edition

theories to practice, highlighting how theories matter

Clinical Case Studies for the Family Nurse Practitioner is a key resource for advanced practice nurses and graduate students seeking to test their skills in assessing, diagnosing, and managing cases in family and primary care. Composed of more than 70 cases ranging from common to unique, the book compiles years of experience from experts in the field. It is organized chronologically, presenting cases from neonatal to geriatric care in a standard approach built on the SOAP format. This includes differential diagnosis and a series of critical thinking questions ideal for self-assessment or classroom use.

Online Library Jackson And Stent 9th Edition

Here is Pulitzer Prize-winning author Bruce Catton ' s unsurpassed account of the Civil War, one of the most moving chapters in American history. Introduced by Pulitzer Prize-winner James M. McPherson, the book vividly traces the epic struggle between the Blue and Gray, from the early division between the North and South to the final surrender of Confederate troops.

SHARPEN YOUR CRITICAL THINKING SKILLS AND IMPROVE PATIENT CARE Experience with clinical cases is key to mastering the art and science of medicine and ultimately to providing patients with competent clinical care. Case Files®: Obstetrics & Gynecology provides 60 true-to-life cases that illustrate essential concepts in obstetrics and

Online Library Jackson And Stent 9th Edition

gynecology. Each case includes an easy-to-understand discussion correlated to key concepts, definitions of key terms, clinical pearls, and USMLE®-style review questions to reinforce your learning. With Case Files®, you ' ll learn instead of memorize. · Learn from 60 high-yield cases, each with board-style questions · Master key concepts with clinical pearls · Cement your knowledge with 25 new integrated challenge questions · Polish your approach to clinical problem solving and to patient care · Perfect for medical students, physician assistant students, nurse midwife and nurse practitioner students

The flagship title of the certification suite from the American College of Sports Medicine, ACSM's Guidelines for Exercise

Online Library Jackson And Stent 9th Edition

Testing and Prescription is a handbook that delivers scientifically based standards on exercise testing and prescription to the certification candidate, the professional, and the student. The 9th edition focuses on evidence-based recommendations that reflect the latest research and clinical information. This manual is an essential resource for any health/fitness and clinical exercise professional, physician, nurse, physician assistant, physical and occupational therapist, dietician, and health care administrator. This manual give succinct summaries of recommended procedures for exercise testing and exercise prescription in healthy and diseased patients.

The essential M&A primer, updated with the latest research

Online Library Jackson And Stent 9th Edition

and statistics Mergers, Acquisitions, and Corporate Restructurings provides a comprehensive look at the field's growth and development, and places M&As in realistic context amidst changing trends, legislation, and global perspectives. All-inclusive coverage merges expert discussion with extensive graphs, research, and case studies to show how M&As can be used successfully, how each form works, and how they are governed by the laws of major countries. Strategies and motives are carefully analyzed alongside legalities each step of the way, and specific techniques are dissected to provide deep insight into real-world operations. This new seventh edition has been revised to improve clarity and approachability, and features the latest research and data to provide the most accurate

Online Library Jackson And Stent 9th Edition

assessment of the current M&A landscape. Ancillary materials include PowerPoint slides, a sample syllabus, and a test bank to facilitate training and streamline comprehension. As the global economy slows, merger and acquisition activity is expected to increase. This book provides an M&A primer for business executives and financial managers seeking a deeper understanding of how corporate restructuring can work for their companies. Understand the many forms of M&As, and the laws that govern them Learn the offensive and defensive techniques used during hostile acquisitions Delve into the strategies and motives that inspire M&As Access the latest data, research, and case studies on private equity, ethics, corporate governance, and more From large megadeals to

Online Library Jackson And Stent 9th Edition

various forms of downsizing, a full range of restructuring practices are currently being used to revitalize and supercharge companies around the world. Mergers, Acquisitions, and Corporate Restructurings is an essential resource for executives needing to quickly get up to date to plan their own company's next moves.
