had gone bad. His men were dead. He'd failed. It was time to check out. Certain death awaited Melina. Her life in exchange for the lives of her family. Still, the stunning doctor was desperate to find a way out. Desperate to change John's mind, she's given him a reason to live, but will it be enough? Too many dangers lurk in the jungle. But the biggest threat may be the passion threatening to consume them both....

When you ' re in love with a Navy SEAL, temptation is a dangerous game... When Navy SEAL Jake Hendrix attends a bachelor/bachelorette auction for charity, he ' s stunned to see his squad mate ' s gorgeous sister, Hanna Masterson, walk across the stage. When he overhears the other guests making lecherous comments, Jake's alpha protective instincts kick in, and he places the winning bid himself. To Hanna ' s surprise, their date goes well—really well. But after an unforgettable night of passion, Jake pulls away. Resigned to their night together being nothing more than a fling, Hanna soon gets the surprise of her life. A pregnancy test reveals that their one night stand has left her with child... Before she can tell Jake she ' s pregnant, one of her high-profile clients is murdered. And Hanna is certain she ' s next on the killer ' s list. Despite his desire to stay uninvolved, Jake can ' t help but protect Hanna, baby bump and all. But as the danger grows, so does their mutual attraction. And the greatest threat of all may be falling in love...

Damsel in Distress Audrey needed someone on her side for once and Elliot Knight appointed himself. But playing gallant rescuer for someone as vulnerable as Audrey—fresh on the rebound and tempting as sin. Audrey knew she was deliberately playing on Elliot's capacity for compassion, but she couldn't let him walk out of her life, good deed done. The oh-so-brief feel of his lips on hers had been heaven. Somehow she had to convince her enigmatic hero that this was no fairy tale—but the real thing.

"I'm one of the good guys, dammit." Her only chance to rescue two orphaned children meant Elise Omayo had to go under cover...as a nun. Yet braving the Colombian jungle was nothing compared to keeping her ruse up once she met Ted Fisher. The sexy soldier was on his own danger-filled mission but he was also the only man who could help her. How had he gone from impersonating a deadly arms dealer to playing protector to a feisty nun? There was no denying Elise desperately needed his assistance, but their mutual attraction had the special ops officer thoroughly confused. Just what secret was Elise keeping...and could he uncover it before time ran out for them both?

This title discusses topics such as thermal energy, conduction, convection, and radiation as well as the conservation of energy.

"This training solution is designed to prepare firefighters to extricate victims from common passenger vehicle collisions"--

He saved an omega's life...only to lose his heart. Firefighter and alpha wolf Darren Drake charges into a burning building only to discover the man he's rescuing is an omega shifter...and his mate. Alex Carson is a photographer and an omega wolf with the most stunning blue eyes and gentle spirit that Darren has ever encountered. Since Darren is an alpha, bringing the now-homeless omega into his house is the only honorable thing to do. Besides, he isn't letting his mate out of his sight, because he intends to win Alex's love and loyalty, no matter what. But after a single, blazing-hot night of passion, Darren wakes to discover that his mate has vanished, leaving only a note behind... Alex lives a footloose existence, traveling the world, taking stunning photos, and never staying in one place for long. But when the fire that nearly takes his life also destroys his laptop and his cameras, he's left in a desperate situation. That's when Darren, the sexy, alpha firefighter built like a demigod, comes through for him again, letting him stay in his home until Alex can get back on his feet. Alex knows how badly he aches for Darren, but the big firefighter doesn't understand Alex's rootless existence. Even though the alpha seems to command Alex's heart, he isn't ready to be tied down forever. But after Alex shows up pregnant on Darren's doorstep, is there any hope for rekindling their thwarted love when an alpha and an omega want very different things? Reader note: contains M/M Mpreg, wolf shifters, hot romance elements, and male male love
