Learn More . Organizations rarely make policy changes with the intention of creating chaos in the workplace, but often, even when policy changes improve operations or create a safer or better environment for employees, employees' initial reaction is often resistance. Until employees are convinced of the need for policy and practice change, organizational performance may be adversely affected.

Policies of chaos : the organizational causes of violence ...

(Kauffman, 1994). The apparent chaos and threatening nature of disasters – as unusual, uncontrollable and many times unpredictable events – facilitated the development of organizational means to restore order and normalcy. In most cases, the latent organizational structure that evolved to mitigate disasters lay dormant and was only
