Videos will also come with teaching notes and/or a list of questions for students to answer. Case Bank: Cases can be in PDF format available for download as an Instructor Resource.

This casebook provides students and academics in business management and marketing with a collection of case studies on services marketing and service operations in emerging economies. It explores current issues and practices in Asia, across different areas, countries, commercial and non-commercial sectors. This book is important and timely in providing a framework for instructors, researchers, and students to understand the service dynamics occurring in these countries. It serves as an invaluable resource for marketing and business management students requiring insights into the operationalization of services across different geographical areas in Asia. Students will find it interesting to compare and contrast different markets covering important aspects related to services.

Effective marketing tactics and strategies for professional service providers If you own and operate your own professional services firm—in accounting, finance, law, or another field—you know just how important marketing is to the success of your business. If you can't get your name out there, you won't have any customers to call your own. This handy guide offers a comprehensive plan for attracting and acquiring clients for small and even one-person firms—no marketing degree required. The strategies and tactics here are fun, easy-to-understand, and doable right now. All you need to bring is enthusiasm and commitment. You'll learn how to identify potential clients, explain why you're their best choice, grow your market share, get great referrals, designate which clients are long-term, profitable keepers, and much more. Features easy-to-implement marketing tactics and strategies for small professional services firms in any industry Ideal for anyone who runs a small firm, as well as professionals in larger firms who want to climb the ladder Shows readers with no marketing background how to boost their businesses Negates the need for expensive and often ineffective external marketing or sales consultants or branding and public relations firms For anyone who runs their own firm, Professional Services Marketing Wisdom offers unbeatable guidance on attracting and keeping the clients that small firms need to survive and thrive.

Concept Of Service | Service Characteristics | Service Expectations | The Service Product | Service Location | Pricing For Services | Promotion Services | The Service Process | Physical Evidence | People And Services | Internal Versus External Marketing |

This book highlights all the important aspects of service marketing starting from the basics concepts of service marketing and it goes on to describe some of the evolving facets of this subject of study. The book has been primarily written keeping the Indian markets in focus. In fact, the second chapter of the book discusses some of the major service entities in the country and traces their evolution over the years. Some of the basic and often discussed concepts of service marketing like the tangibility spectrum, service marketing mix, service marketing triangle along with the specific characteristics of services have been discussed in great detail. Overall, the author feels that the book shall serve as a wholesome and informative read for students pursuing MBA programs in various colleges and universities of the country apart from the professionals attached with the business of developing and marketing services in the country.

The second edition of Services Marketing: Text and Cases takes a leap forward to develop a strategic perspective to the service marketing framework. This edition begins with an initiation into the field of services and then develops an appreciation of the service marketing system and includes five additional chapters. The focus is then directed at service strategy and the creation of sustainable differentiation. The book finally discusses the management of operational issues such as quality, demand matching, recovery and empowerment.

Renault, Samsung, Lacoste This book provides opportunities to discover a selection of issues recently faced by 10 major French companies. Each case offers in a clear and structured manner: a case presentation sheet including the problem statement, learning objectives, as well as the main themes and marketing tools used throughout the case; a narrative reviewing important information about the company and its environment, leading to the problem to be investigated; a series of questions guiding the draft of a structured solution; a detailed solution outlining the main strategic recommendations. Based on real issues and written in collaboration with the companies, the 10 field-based case studies allow applying marketing principles, theories and models: segmentation, positioning, marketing plan, as well as designing strategies at the product, price, place and promotion levels. Learning by doing, applied to marketing!"
