Lieutenant Commander Cross has served his country with excellence for many years. When his time in the armed forces comes to an end, he is given a job offer he can't refuse: command an elite squad of soldiers tasked with tackling military ops that are blacker than black and far beyond the call of duty.

As Lieutenant Commander Ryan Cross and the soldiers of Shadow Squadron welcome their first female member to the team, Cross receives an urgent call from a powerful senator demanding assistance in saving his kidnapped son. When the team touches down in Mali, they immediately learn that something far more sinister than a simple kidnapping is going down in the desert... In their Starred Review of Elite Infantry, Kirkus Reviews lauded the Shadow Squadron series as "breathtaking to the word" with "top-drawer renderings of secret military missions around the globe." This action packed series delivers exciting stories highly relevant to today's real-world conflicts. Each book in the Shadow Squadron series includes glossaries, writing prompts, and discussion questions aimed at stimulating safe, objective discussion about war, current events, and the modern military.

Lieutenant Commander Ryan Cross is given command of a team of specialists, called the Shadow Squadron, which is tasked with tackling operations that are too tricky and dangerous for the regular military.

In this third compilation of four separately published books, Lieutenant Commander Ryan Cross and his team of military specialists are called on to deal with terrorists and possible traitors in the Middle East and Central Africa.

Sergeant Edgar Brighton of the Shadow Squadron is in Colombia, assisting on an anti-drug operation--but when he is captured and tortured by the rebels he must find a way to escape before they break him.

When a video surfaces of a man making terrorist demands, an ex-teammate of the Shadow Squadron recognizes the man as a former SEAL, lost in an operation nine years before--but something is strange about the video, and it is up to Lieutenant Commander Ryan Cross and his team to locate and capture the apparent traitor in Afghanistan.

Lieutenant Ryan Cross has served his country with excellence for many years. When his time in the armed forces comes to an end, he is given a job offer he can't refuse: command an elite squad of soldiers tasked with tackling military ops that are blacker than black and far beyond the call of duty. A safe military series that Kirkus Reviews lauded as "breathtaking to the word" with "top-drawer renderings of secret military missions around the globe" in a Starred Review of Elite Infantry, Shadow Squadron boasts action packed stories relevant to today's real world conflicts.

Based on a tip from CIA agent Bradley Upton, Shadow Squadron rushes to Yemen in an attempt to apprehend an elusive Iraqi explosives expert nicknamed "The Professor." But when the mission goes wrong, the terrorist manages to escape--and Lieutenant Commander Ryan Cross is knocked unconscious. When Cross awakens, he finds himself face to face with The Professor, who has some interesting things to say about agent Upton...
