The Essential Law of Attraction Collection is the perfect read for those who want to deepen their understanding of the Teachings of Abraham, as well as anyone who would like to have three wonderful books by Esther and Jerry together in one special edition! • The Law of Attraction presents the powerful basics of the original Teachings of Abraham®. You ' ve most likely heard the saying "Like attracts like," and although the Law of Attraction has been alluded to by some of the greatest teachers in history, it has never been explained in as clear and practical terms as it is in these pages. • Money, and the Law of Attraction shines a spotlight on two subjects troubling many people today: money and physical health. This book was written to deliberately align you with the most powerful law in the universe—the Law of Attraction—so that you can make it work specifically for you, no matter what your life experience may be. • The Vortex will help you understand every relationship you are currently involved in or have ever experienced. It uncovers a myriad of false premises that are at the heart of every uncomfortable relationship issue, and guides you to a clear understanding of the creative Vortex that has already assembled

Abraham, channeled through Esther Hicks, explains how to understand emotions and follow the life-affirming guidance that they provide, in a book that discusses how to deal with thirty-three specific situations.

Mind, body, spirit.

Este libro de vanguardia de Esther y Jerry Hicks, quienes presentan las enseñanzas de Abraham, una entidad no física, trata sobre cómo tener un propósito deliberado para todo lo que quieras en la vida, al tiempo que equilibras tu energía en el camino. Pero es importante tener en cuenta que ser consciente de la necesidad de equilibrio es más importante que establecer objetivos o centrarse en los deseos finales. Y es a partir de esa distinción tan importante que este trabajo ha surgido. A medida que comprendas y practiques de manera efectiva los procesos que se ofrecen aquí, no solo lograrás tus metas y resultados deseados con mayor rapidez sino que disfrutarás cada paso del camino incluso antes de su manifestación. Como tal, descubrirás que vivir tu vida es una experiencia constante de alegría, en vez de una serie de largas rachas de escasez entre momentos ocasionales de satisfacción temporal.

The Art of Possible reveals how the most unlikely of catalysts lead Kate Tojeiro to write a book about her experiences from working with some of the world's greatest leaders to interviewing the elite in sport and many inspirational people from all walks of life. Everyone irrespective of talent, wealth or privilege, has to face down their fears, conquering things that we may have considered impossible. It isn't comfortable, but when we conquer it, it is what makes life truly memorable and really worth living. By asking the hard questions and examining how and why we do certain things, The Art of Possible encourages you to get comfortable with discomfort daily. Written as a journal, it is set out

This book, which presents the teachings of the nonphysical entity Abraham, will help you learn how to manifest your desires so that you're living the joyous and fulfilling life you deserve. You'll come to understand how your relationships, health issues, finances, career concerns, and more are influenced by the Universal laws that govern your time-space-reality and you'll discover powerful processes that will help you go with the positive flow of life.--From publisher description.

This book presents the powerful basics of the original Teachings of Abraham. Within these pages, you 'll learn how all things, wanted and unwanted, are brought to you by this most powerful law of the universe, the Law of Attraction (that which is like unto itself is drawn). You 've most likely heard the saying "Like attracts like," "Birds of a feather flock together," or "It is done unto you as you believe" (a belief is only a thought you keep thinking); and although the Law of Attraction has been alluded to by some of the greatest teachers in history, it has never before been explained in as clear and practical terms as in this latest book by New York Times best-selling authors,
