Things the Grandchildren Should Know is an autobiographic book by Mark Oliver Everett who is the front man of the independent rock band Eels. And since my work on the TV show Lost, I've also been fascinated by the work of Hugh Everett and his many worlds theory. FRENCH FLAPS AND DECKLE EDGES, THAT THE NEW YORK TIMES CALLS DAMNABLY CUTE.

An acclaimed indie rocker from the Eels discusses his turbulent upbringing outside of the sphere of his absent acclaimed physicist father, the tragic losses of his family members, and his efforts to forge a career in the alternative music scene. 75,000 first printing.

An acclaimed indie rocker from the Eels discusses his turbulent upbringing outside of the sphere of his absent acclaimed physicist father, the tragic losses of his family members, and his efforts to forge a career in the alternative music scene. 75,000 first printing.

How does one young man survive the deaths of his entire family and manage to make something worthwhile of his life? In Things The Grandchildren Should Know Mark Oliver Everett tells the story of what it's like to grow up the insecure son of a genius in a wacky Virginia Ice Storm-like family. Left to run wild with his sister, his father off in some parallel universe of his own invention, Everett's upbringing was 'ridiculous, sometimes tragic and always unsteady'. But somehow he manages to not only survive his crazy upbringing and ensuing tragedies; he makes something of his life, striking out on a journey to find himself by channelling his experiences into his, eventually, critically acclaimed music with the Eels. But it's not an easy path. Told with surprising candour, Things The Grandchildren Should Know is an inspiring and remarkable story, full of hope, humour and wry wisdom.

A frisky, feminine, funny, and profoundly genuine essay collection on relationships, sex, motherhood, and finding yourself, by the editor of New York Magazine's Sex Diaries. Alyssa Shelasky has a lot to tell you. In this hilarious and intimate essay collection, Alyssa navigates life as a wild-hearted woman and her thrilling career as a sex, relationship, and celebrity writer in New York City. From double-booking an interview with Sarah Jessica Parker and an abortion appointment and unsuccessfully quitting sex and men entirely to have a baby via an anonymous sperm donor, to hooking up with a hot musician while eight months pregnant and then finding her life partner but vowing to never get married, Alyssa's essays paint a deeply genuine, romantic, and uproarious portrait of a woman who craves both love and lust, and refuses to settle or sacrifice her fierce inner-spirit, sometimes to her own regret and detriment. And she's not afraid to give you every single beautiful, messy, embarrassing, and emotional detail of her bleeding heart and busy bedroom. This Might Be Too Personal is like having (several) drinks with your best friend who has seen, heard, and done everything. Literally, everything. Told in a refreshing candor with jolts of humor, undeniable relatability, and irresistible energy, Alyssa's book is the ultimate meditation on living an authentic life with big feelings, hard decisions, and the small victories and painful mistakes of motherhood, womanhood, and profound independence.

This audio CD tells the extraordinary true life story of songwriter Mark Oliver Everett, lead singer of the band Eels.

"Birthdays may be difficult for me." "I want you to take the initiative in opening conversations about my birth family." "When I act out my fears in obnoxious ways, please hang in there with me." "I am afraid you will abandon me." The voices of adopted children are poignant, questioning. And they tell a familiar story of loss, fear, and hope. This extraordinary book, written by a woman who was adopted herself, gives voice to children's unspoken concerns, and shows adoptive parents how to free their kids from feelings of fear, abandonment, and shame. With warmth and candor, Sherrie Eldridge reveals the twenty complex emotional issues you must understand to nurture the child you love--that he must grieve his loss now if he is to receive love fully in the future--that she needs honest information about her birth family no matter how painful the details may be--and that although he may choose to search for his birth family, he will always rely on you to be his parents. Filled with powerful insights from children, parents, and experts in the field, plus practical strategies and case histories that will ring true for every adoptive family, Twenty Things Adopted Kids Wish Their Adoptive Parents Knew is an invaluable guide to the complex emotions that take up residence within the heart of the adopted child--and within the adoptive home.

A revised edition of the best-selling kids' guide to etiquette features advice updated for the 21st century and includes coverage of topics ranging from polite cell phone usage and developing a positive online presence to table manners and managing a respectful dating relationship. Original.

A NATIONAL BESTSELLER This beloved memoir "is an extraordinary, honest, nuanced and compassionate look at adoption, race in America and families in general" (Jasmine Guillory, Code Switch, NPR) What does it mean to lose your roots—within your culture, within your family—and what happens when you find them? Nicole Chung was born severely premature, placed for adoption by her Korean parents, and raised by a white family in a sheltered Oregon town. From childhood, she heard the story of her adoption as a comforting, prepackaged myth. She believed that her biological parents had made the ultimate sacrifice in the hope of giving her a better life, that forever feeling slightly out of place was her fate as a transracial adoptee. But as Nicole grew up—facing prejudice her adoptive family couldn't see, finding her identity as an Asian American and as a writer, becoming ever more curious about where she came from—she wondered if the story she'd been told was the whole truth. With warmth, candor, and startling insight, Nicole Chung tells of her search for the people who gave her up, which coincided with the birth of her own child. All You Can Ever Know is a profound, moving chronicle of surprising connections and the repercussions of unearthing painful family secrets—vital reading for anyone who has ever struggled to figure out where they belong.

The Highlights Book of Things to Do is the essential book of pure creativity and inspiration. Kids ages seven and up will find hundreds of ways to build, play, experiment, craft, cook, dream, think, and become outstanding citizens of the world. This highly visual, hands-on activity book shows kids some of the best ways to do great things--from practicing the lost arts of knot-tying, building campfires, connecting circuits, playing jump rope, drawing maps, and writing letters, to learning how to empower themselves socially, emotionally, and in their communities. The final chapter, Do Great Things, inspires kids become caring individuals, confident problem solvers, and thoughtful people who can change the world. On the heels of his New York Times bestselling Stories I Only Tell My Friends, Rob Lowe is back with an entertaining collection that “invites readers into his world with easy charm and disarming frankness” (Kirkus Reviews). After the incredible response to his acclaimed bestseller, Stories I Only Tell My Friends, Rob Lowe was convinced to mine his experiences for even more stories. The result is Love Life, a memoir about men and women, actors and producers, art and commerce, fathers and sons, movies and TV, addiction and recovery, sex and love. Among the adventures he describes in these pages are: · His visit, as a young man, to Hugh Hefner's Playboy Mansion, where the naïve actor made a surprising discovery in the hot tub. · The time, as a boy growing up in Malibu, he discovered a vibrator belonging to his best friend's mother. · What it's like to be the star and producer of a flop TV show. · How an actor prepares, for Californication, Parks and Recreation, and numerous other roles. · His hilarious account of coaching a kid's basketball team

dominated by helicopter parents. · How his great, great, great, great, great grandfather may have inspired everything from his love of *The West Wing* to his taste in classic American architecture. · His first visit to college, with his son, who is going to receive the education his father never got. · The time a major movie star stole his girlfriend. Linked by common themes and his philosophical perspective on love—and life—Lowe’s writing “is loaded with showbiz anecdotes, self-deprecating tales, and has a general sweetness” (New York Post).
