Transitions In The Early Years

Transitions are an inevitable part in every child's journey. Many papers, articles and books have been written on the subject, some of which we share here. Start from the child. Early Education supports a child-centred approach which meets the needs of every child.

Transitions | Early Education

Transition: The Journey. Children's lives today are so much more hectic than ever before. Going to a setting for the first time, moving to another one, starting school or moving into a new class are seen by many people as a normal part of the lives of children. Yet transitions are milestone events for children and have a definite effect on their development.

Transitions - Early Years Matters

Transitions in Early Years. Transitions in early years can be daunting for even the most confident of children. In a new setting or new classroom, there will often be a range of previous experiences: some children may have been at home with parents, some with childminders, others may have attended a nursery or preschool.

Transition EYFS | Transitions in Early Years

Jamel Carly explains why every transition a child will face as they go through their education begins with how we welcome them in the Early Years He'll run through the importance of involving parents and making all children welcome to begin with, before some key lessons about the transitions to Primary education

Early Years Transitions and How They Set Our Children Up ...

Examples of good practice for supporting early years transitions include: Work closely with all adults who are involved with the child to plan for the separation in order to reassure and support... Spend quality time with the child and allow them to freely talk about what is happening to them and ...

Different Types of Transitions in Child Development

It seems ironic then, that there is potential for more transitions as children move through the Early Years Foundation Stage (EYFS) than in any other stage of the education system. A child may move from home to a childminder, onto a playgroup, then into nursery and finally into school all before they reach their fifth birthday.
